She wanted to know if a 2 way or "Slow Children" signs could be installed since Wheaton Road has had an influx of speeders and the neighborhood is worried about the children that are present there.

Director Nogan commented that he would reach out to the engineers and IDOT to possibly request a study of that area. He also mentioned that the study would take a while since they must research the number of tickets and other information needs to be gathered. Deputy Sheriff Kielczewski mentioned that he has monitored that location and has issued warnings and tickets.
